I, \_\_\_\_\_, hereby have a commitment to read the following book during the summer of 2010.

Choices are:

My choice is:

1. \_\_\_\_\_, by \_\_\_\_\_.

In August 2010, I will share my thoughts about my book with my English class based on an assignment or assessment that will comply with the Texas Essential Skills and Knowledge standards.

I have received the Summer Reading Assignment that will guide my required reading over the summer in preparation for the assessment piece I will complete in the first week of school. In addition, I will use the Guiding Questions and Reading Journal Assignment to aid me in responding to the text of my choice. The journal assignment will be handed in the first week of school. The formal assessment will be given in the first week of school as well.
