**About the Title I, Part A Program:**

The Purpose of the Title II, Part A Program is to increase the academic achievement of all students by helping campuses and districts improve teacher and principal quality and ensure that all teachers are effective. The program focuses on enhancing teacher and principal quality districtwide. Participating private nonprofits do not receive the funds directly and must abide by district budget and procurement policies. The Title II, Part A program is mandated by the Every Student Succeeds Act (ESSA) that supports elementary and secondary education.
