User Guide and Agreement Form

TOMBALL ISD
DESTINATION EXCELLENCE

Aquatic Center & Natatorium Agreement Form

Non-TISD Events

Please carefully read the agreement form, initial beside each statement, sign below and return with other required facility usage documents.

1. I have read and agree to the Pool Safety Rules as stated in the User Guide.
2. For non-TISD events utilizing the pool outside of normal business hours a TISD Certified Pool Operator will be provided at a rate of \$30.00 per hour. The CPO will be responsible for proper documentation of pool safety equipment, water testing and life guard certification verification. During normal business hours the TISD CPO shall make the necessary safety checks and water testing at no charge to the organization.
3. I agree not to allow anyone to enter the pool until water has been tested. If the water clarity, pH or chlorine levels do not meet the posted standards, I agree not to allow anyone into the pool until it has been treated by the TISD CPO and test results are within acceptable levels.
4. I agree to exclude all swimmers from the pool and deck area while chemicals are being added. The pool shall remain closed until the chemicals are properly dispersed or for the length of time dictated by the local code. (Reference: Texas Administrative Code 25 Section 265)
5. I agree to follow the Emergency Action Plan as indicated in the User Guide and agree to remove swimmers from the pool in the event of a power outage. Power outage is determined by activation of emergency strobe and horn mounted on the wall above judge's booth.

Aquatic Center & Natatorium Agreement Form

TISD Coaching Staff

Please carefully read the agreement form, initial beside each statement, sign below and return with other required facility usage documents.

1. I have read and agree to the Pool Safety Rules as stated in the User Guide.
2. For TISD coaching staff: During regular practice sessions I agree to check the water clarity, pH and chlorine levels prior to students entering the pool and at 2 hour intervals, record the levels in the Pool Condition Report and initial and date the entry.
3. All TISD Meets or Events will require a TISD CPO other than a coach to be on duty during the Meet or Event at a rate of \$30.00 per hour if scheduled outside of normal business hours. The CPO will be responsible for proper documentation of pool safety equipment, water testing and lifeguard certification verification. During normal business hours the TISD CPO shall make the necessary safety checks and water testing at no charge.
4. I agree not to allow anyone to enter the pool until water has been tested. If the water clarity, pH or chlorine levels do not meet the posted standards, I agree not to allow anyone into the pool until it has been treated by the TISD CPO and test results are within acceptable levels.
5. I agree to exclude all swimmers from the pool and deck area while chemicals are being added. The pool shall remain closed until the chemicals are properly dispersed or for the length of time dictated by the local code. (Reference: Texas Administrative Code 25 Section 265)
6. I agree to follow the Emergency Action Plan as indicated in the User Guide and agree to remove swimmers from the pool in the event of a power outage. Power outage is determined by activation of emergency strobe and horn mounted on the wall above judge's booth.

Safety & Supervision

Tomball ISD is committed to comply with Texas Administrative Code 25 Section 265 for swimming pool safety and supervision. All groups using the TISD Aquatic Centers or Natatorium must provide the necessary Certified Lifeguards. The TISD Athletic Director shall determine how many lifeguards are necessary for TISD sponsored events. Outside groups shall document how many lifeguards are to be on duty in the submittal of the facility usage form. If your group is using the facility after 3:00 pm on normal business days or, on a weekend a TISD Certified Pool Operator (CPO) shall be necessary for the scheduled event. Lifeguards cannot fulfill duties of the CPO and TISD policy is that only a TISD CPO is allowed to treat the pool.

Pool Safety Rules

1. No individuals are allowed in the pool or dressing areas without the supervision of an adult responsible for the group's participants.
2. Do not prop outside doors open from the pool deck area. Doors to the pool deck area are to remain in the locked position from the exterior at all times. Pool users are not to enter the facility directly onto the pool deck.
3. Never swim alone.
4. No running on pool deck, no horseplay such as dunking or shoving. No sitting or hanging on the lane markers.
5. Diving off the blocks or boards is only permitted with qualified supervision.
6. No glass containers or food allowed on the pool deck or locker rooms. No Alcoholic beverages, controlled substances or tobacco products are permitted in TISD Facilities. No pets, noise makers, frisbees, balloons, confetti/streamers, or balls other than for official use. No weapons or distribution of literature per TISD policy.
7. No personal items, clothing or other gear is to be left in the dressing rooms after practice. Wet towels and all trash shall be placed in the proper receptacle before leaving the facility.
8. Observe the posted pool rules at all times.
9. Utilize the proper reel and devices to remove the lane markers to prevent damage to the equipment.
10. No students or non-district personnel are allowed in storage or mechanical areas.
11. All swimmers must leave the pool in the event of a power outage, which would activate the emergency strobe and horn mounted above the judge's booth.
12. A Medical Emergency Form, to be used in case of injury to any athlete, is required by TISD and UIL to be completed annually.

Emergency Action Plan

In the event of an emergency, follow these procedures:

1. Report swimming emergencies to the following:
 - a. If no lifeguard is on duty, utilize the 911 call box or other means to notify EMS.
 - b. Make sure the scene is safe before attempting to rescue.
 - c. Trained personnel will move the victim to safety using extreme caution when recovering the victim in order to assure that the victim is maintained in alignment while being brought to the surface.
 - d. Provide care as needed. Be sure someone is out front to direct emergency personnel.
2. Report non-swimming (problems with building or pool) emergencies to the following:
 - a. CPO on duty or Jay Stockman (Cell: 512-644-0929 /Email: jaystockman@tomballisd.net)
 - b. In the event of a building power loss there will be an activation of emergency strobe and horn to clear all swimmers from the pool. TISD staff will be dispatched to check/inspect the building electrical system. Once the power has been restored the pool will be reopened to swimmers.
